Confirmation of cooperation / reference letter

We hereby confirm our cooperation, started on **21st April, 2012** and finished on **30th April, 2014**, between:

social sweethearts GmbH

and

DirectCode Dominik Wlazłowski (<http://www.directcode.eu/>).

Dominik Wlazłowski had worked as a contractor (Web Developer, full-time, remotely), developed, optimized and tested among others following **projects** (mainly Facebook Applications):

- Coverphotos (optimization of existing app)
- Flash Games project
- GreetingCards
- Horoscope FB Application (optimization of existing app)
- The anna.de (online-magazine)
- Advent Calendar (PT language website)
- PhotoFriends
- our company website (including responsive elements)

During the implementation of the projects, Dominik Wlazłowski used the following **technologies**:

- PHP4, PHP5, Symfony 1.4 Framework, MySQL
- xhtml, CSS, XML, HTML5 (+RWD)
- JavaScript (and frameworks such as jQuery)
- Facebook API (JS SDK and PHP SDK)
- Redis, Rabbit MQ
- Linux (shell)

Cooperation was without major objections, and Dominik has expanded his extensive experience, during development **backend and frontend** of our projects.

We recommend cooperation with Dominik Wlazłowski and thank him for his work.
